To All Our Friends in Conservation:

The Antelope Valley Resource Conservation District (RCD) is sponsoring a Soil and Water Stewardship Poster Contest for students in the Antelope Valley area for kindergarten through fourth grade.

This year's contest will be a virtual contest with the students creating a poster and then emailing a photo to us of their poster. Enclosed is a copy of the contest rules. **“What would we BEE without Pollinators” is the theme this year and must be on the poster.**

We are conducting a district contest and awarding cash prizes and certificates to the top winners in each category. Three of the 1<sup>st</sup> Place winners will be entered in the national contest sponsored by the National Association of Conservation Districts. This is the 3<sup>rd</sup> year ever for us sponsoring such an activity and we ask you to join in this celebration of youth and conservation.

We will be offering the following prizes for our Service Area: Kindergarten thru 4<sup>th</sup> grade with 3 winners in each grade. 1<sup>st</sup> place \$50.00, 2<sup>nd</sup> place \$40.00 and 3<sup>rd</sup> place \$30.00. We also will provide them with a winning certificate and publishing their photo in the local papers.

The district poster contest deadline will be **Friday October 15, 2020**. The Poster will be photographed and then emailed to Debra Gillis at the below email.

Any assistance you can provide with this matter will be greatly appreciated. If you have any questions, you may contact the Antelope Valley Resource District Office at 661-305-3405 or email Debra Gillis at [debragillis@sbcglobal.net](mailto:debragillis@sbcglobal.net).

Neal Weisenberger  
Antelope Valley RCD President
